

## Chemical Safety Data Sheet MSDS / SDS

## Phosazetim

Revision Date:2026-08-01 Revision Number:1

## SECTION 1: Identification of the substance/mixture and of the company/undertaking

## Product identifier

Product name : Phosazetim  
CBnumber : CB4851633  
CAS : 4104-14-7  
EINECS Number : 223-874-7  
Synonyms : Phosacetim, Gophacide

## Relevant identified uses of the substance or mixture and uses advised against

Relevant identified uses : For R&D use only. Not for medicinal, household or other use.  
Uses advised against : none

## Company Identification

Company : Chemicalbook  
Address : Building 1, Huihuang International, Shangdi 10th Street, Haidian District, Beijing  
Telephone : 010-86108875

## SECTION 2: Hazards identification

## GHS Label elements, including precautionary statements

Symbol(GHS)

Signal word

Danger

## Precautionary statements

P264 Wash skin thoroughly after handling.  
P270 Do not eat, drink or smoke when using this product.  
P301+P310 IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician.  
P321 Specific treatment (see ... on this label).  
P330 Rinse mouth.  
P405 Store locked up.  
P501 Dispose of contents/container to....  
P262 Do not get in eyes, on skin, or on clothing.  
P264 Wash skin thoroughly after handling.  
P270 Do not eat, drink or smoke when using this product.

P280 Wear protective gloves/protective clothing/eye protection/face protection.

P302+P350 IF ON SKIN: Gently wash with plenty of soap and water.

P310 Immediately call a POISON CENTER or doctor/physician.

P322 Specific measures (see ...on this label).

P361 Remove/Take off immediately all contaminated clothing.

P363 Wash contaminated clothing before reuse.

P405 Store locked up.

P501 Dispose of contents/container to.....

P273 Avoid release to the environment.

P391 Collect spillage. Hazardous to the aquatic environment

P501 Dispose of contents/container to.....

#### **Hazard statements**

H300 Fatal if swallowed

H310 Fatal in contact with skin

H410 Very toxic to aquatic life with long lasting effects

---

## SECTION 3: Composition/information on ingredients

### **Substance**

|              |                         |
|--------------|-------------------------|
| Product name | : Phosazetim            |
| Synonyms     | : Phosacetim, Gophacide |
| CAS          | : 4104-14-7             |
| EC number    | : 223-874-7             |
| MF           | : C14H13Cl2N2O2PS       |
| MW           | : 375.21                |

---

## SECTION 4: First aid measures

### **First Aid Measures**

#### **General advice**

Consult a physician if necessary. Remove to fresh air.

#### **Eye contact**

Wash with plenty of water.

#### **Skin Contact**

Wash skin with soap and water.

#### **Inhalation**

Remove to fresh air If breathing is difficult, give oxygen If not breathing, give artificial respiration

#### **Ingestion**

Never give anything by mouth to an unconscious person. Clean mouth with water.

### **Most important symptoms and effects, both acute and delayed**

#### **Symptoms**

No information available.

### **Indication of any immediate medical attention and special treatment needed**

#### **Note to physicians**

Treat symptomatically.

---

## **SECTION 5: Firefighting measures**

### **Suitable Extinguishing Media**

#### **Suitable Extinguishing Media**

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

#### **Unsuitable Extinguishing Media**

No information available.

### **Specific hazards arising from the chemical**

#### **Specific hazards arising from the chemical**

No information available.

#### **Hazardous combustion products**

Carbon oxides. Nitrogen oxides (NO<sub>x</sub>). Hydrogen sulfide.

### **Explosion data**

#### **Sensitivity to Mechanical Impact**

No information available.

#### **Sensitivity to Static Discharge**

No information available.

### **Protective equipment and precautions for firefighters**

#### **Protective equipment and precautions for firefighters**

As in any fire, wear self contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

---

## **SECTION 6: Accidental release measures**

### **Personal precautions, protective equipment and emergency procedures**

#### **Personal precautions**

Ensure adequate ventilation, especially in confined areas.

#### **Environmental precautions**

#### **Environmental precautions**

See Section 12 for additional Ecological Information.

### **Methods and material for containment and cleaning up**

#### **Methods for containment**

Prevent further leakage or spillage if safe to do so.

### **Methods for cleaning up**

Use personal protective equipment as required. Cover powder spill with plastic sheet or tarp to minimize spreading and keep powder dry. Take up mechanically, placing in appropriate containers for disposal. Avoid creating dust. Clean contaminated surface thoroughly.

---

## **SECTION 7: Handling and storage**

### **Precautions for safe handling**

#### **Advice on safe handling**

Handle in accordance with good industrial hygiene and safety practice.

### **Conditions for safe storage, including any incompatibilities**

#### **Storage Conditions**

Keep containers tightly closed in a dry, cool and well-ventilated place. Store at -20 °C.

#### **Incompatible materials**

None known based on information supplied.

---

## **SECTION 8: Exposure controls/personal protection**

### **Control parameters**

#### **Exposure Guidelines**

This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

### **Appropriate engineering controls**

#### **Engineering Controls**

Showers

Eyewash stations

Ventilation systems

### **Individual protection measures, such as personal protective equipment**

#### **Eye/face protection**

Wear safety glasses with side shields (or goggles).

#### **Skin and Body Protection**

Wear protective gloves and protective clothing.

#### **Respiratory protection**

If exposure limits are exceeded or irritation is experienced, NIOSH/MSHA approved respiratory protection should be worn. Positive-pressure supplied air respirators may be required for high airborne contaminant concentrations. Respiratory protection must be provided in accordance with current local regulations.

#### **General Hygiene Considerations**

Handle in accordance with good industrial hygiene and safety practice.

---

## SECTION 9: Physical and chemical properties

### Information on basic physicochemical properties

|                                 |                                            |
|---------------------------------|--------------------------------------------|
| Physical State                  | Solid                                      |
| Appearance                      | No information available                   |
| Odor                            | No information available                   |
| pH                              | No information available                   |
| Melting point/freezing point    | 107 °C                                     |
| Boiling point                   | 441.9±55.0 °C(Predicted)                   |
| Flash point                     | No information available                   |
| Liquid Density                  | No information available                   |
| Evaporation rate                | No information available                   |
| Upper flammability limits       | No information available                   |
| Lower flammability limit        | No information available                   |
| Vapor pressure                  | No information available                   |
| Vapor density                   | No information available                   |
| Specific gravity                | No information available                   |
| Water solubility                | No information available                   |
| Solubility in other solvents    | No information available                   |
| Partition coefficient           | No information available                   |
| Autoignition temperature        | No information available                   |
| Decomposition temperature       | No information available                   |
| Kinematic viscosity             | No information available                   |
| Explosive properties            | No information available                   |
| Oxidizing properties            | No information available                   |
| Density and/or relative density | 1.43±0.1 g/cm3(Predicted)                  |
| Solubility                      | Chloroform (Slightly), Methanol (Slightly) |
| Colour                          | Off-White                                  |

## SECTION 10: Stability and reactivity

### Reactivity

Not applicable

### Chemical stability

Stable under recommended storage conditions.

### Possibility of Hazardous Reactions

None under normal processing.

### Hazardous polymerization

No information available.

### Conditions to avoid

Extremes of temperature and direct sunlight.

### Incompatible materials

Strong oxidizing agents.

### Hazardous Decomposition Products

Carbon oxides. Nitrogen oxides (NO<sub>x</sub>). Hydrogen sulfide.

---

## SECTION 11: Toxicological information

### Information on likely routes of exposure

#### Inhalation

Classified based on available data. For more details, see section 2.

#### Eye contact

Classified based on available data. For more details, see section 2.

#### Skin Contact

Classified based on available data. For more details, see section 2.

#### Ingestion

Classified based on available data. For more details, see section 2.

### Information on toxicological effects

#### Symptoms

Classified based on available data. For more details, see section 2.

### Delayed and immediate effects as well as chronic effects from short and long-term exposure

#### Chronic Toxicity

Classified based on available data. For more details, see section 2.

### Numerical measures of toxicity - Product Information

#### Unknown acute toxicity

Classified based on available data. For more details, see section 2

The following values are calculated based on chapter 3.1 of the GHS document

#### ATEmix (oral)

4 mg/kg

#### ATEmix (dermal)

25 mg/kg

---

## SECTION 12: Ecological information

### Ecotoxicity

Very toxic to aquatic life with long lasting effects

0% of the mixture consists of components(s) of unknown hazards to the aquatic environment.

### **Persistence and degradability**

No information available.

### **Bioaccumulation**

No information available.

### **Mobility**

No information available.

---

## SECTION 13: Disposal considerations

### **Disposal of wastes**

Disposal should be in accordance with applicable regional, national and local laws and regulations.

### **Contaminated packaging**

Do not reuse container.

---

## SECTION 14: Transport information

### **DOT**

#### **UN/ID no**

UN3464

#### **Hazard Class**

6.1

#### **Packing Group**

I

#### **Proper shipping name**

Organophosphorus compound, solid, toxic, n.o.s.

#### **Description**

UN3464, Organophosphorus compound, solid, toxic, n.o.s. (Phosacetim), 6.1, I

#### **Emergency Response Guide Number**

151

### **IMDG**

#### **UN/ID no**

UN3464

#### **Hazard Class**

6.1

#### **Packing Group**

I

#### **Proper shipping name**

Organophosphorus compound, solid, toxic, n.o.s.

#### Description

UN3464, Organophosphorus compound, solid, toxic, n.o.s. (Phosacetim), 6.1, I, Marine pollutant

#### Special Provisions

43, 274

#### EmS-No

F-A, S-A

#### IATA

#### UN/ID no

UN3464

#### Hazard Class

6.1

#### Packing Group

I

#### Proper shipping name

Organophosphorus compound, solid, toxic, n.o.s.

#### Description

UN3464, Organophosphorus compound, solid, toxic, n.o.s. (Phosacetim), 6.1, I

#### ERG Code

6L

---

## SECTION 15: Regulatory information

### International Inventories

All of the components in the product are on the following Inventory lists

Europe (EINECS/ELINCS/NLP) South Korea (KECL): China (IECSC)

X - Listed

TSCA - United States Toxic Substances Control Act Section 8(b) Inventory

DSL/NDL - Canadian Domestic Substances List/Non-Domestic Substances List

EINECS/ELINCS - European Inventory of Existing Chemical Substances/European List of Notified Chemical Substances

ENCS - Japan Existing and New Chemical Substances

IECSC - China Inventory of Existing Chemical Substances

KECL - Korean Existing and Evaluated Chemical Substances

PICCS - Philippines Inventory of Chemicals and Chemical Substances

| Chemical name | TSCA | DSL | NDL | EINECS | ELINCS | ENCS | IECSC | KECL | PICCS | AICS |
|---------------|------|-----|-----|--------|--------|------|-------|------|-------|------|
| Phosacetim    | -    | -   | -   | X      | -      | -    | X     | X    | -     | -    |

### US Federal Regulations

#### SARA 313

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372.

## SARA 311/312 Hazard Categories

### Acute health hazard

Yes

### Chronic Health Hazard

No

### Fire hazard

No

### Sudden release of pressure hazard

No

### Reactive hazard

No

## CWA (Clean Water Act)

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

## US State Regulations

### California Proposition 65

This product does not contain any Proposition 65 chemicals.

### U.S. State Right-to-Know Regulations

| Chemical name        | New Jersey | Massachusetts | Pennsylvania |
|----------------------|------------|---------------|--------------|
| Phosacetim 4104-14-7 | X          | X             | X            |

---

## SECTION 16: Other information

### Abbreviations and acronyms

CAS: Chemical Abstracts Service

TWA: Time-Weighted Average

STEL: Short-Term Exposure Limit

LD50: Lethal Dose 50%

LC50: Lethal Concentration 50%

EC50: Effective Concentration 50%

PEL: Permissible Exposure Limit

TLV: Threshold Limit Value

IMDG: International Maritime Dangerous Goods Code

IATA: International Air Transport Association

ADR: European Agreement concerning the International Carriage of Dangerous Goods by Road

DOT: US Department of Transportation

NFPA: National Fire Protection Association

NIOSH: National Institute for Occupational Safety and Health

**Disclaimer:**

The information in this MSDS is only applicable to the specified product, unless otherwise specified, it is not applicable to the mixture of this product and other substances. This MSDS only provides information on the safety of the product for those who have received the appropriate professional training for the user of the product. Users of this MSDS must make independent judgments on the applicability of this SDS. The authors of this MSDS will not be held responsible for any harm caused by the use of this MSDS.
